Alison Crutchley

# We Need Each Other Now

Merry Hell

Words and music:  
John Kettle

VERSE

Soprano  
Ah \_\_\_\_\_

1. Our bott - le gone, we drank the dregs. Our  
2. Bored with i - de - o - lo - gy. The  
3. Ev - 'ry - where mis - trust and doubt, And  
4. In har - mo - ny and dis - so - nance, The  
5. I'm slow to stand and quick to run, My

Alto  
And 1. though we stum - ble from the edge, Our bott - le gone, we drank the dregs. Our  
2. bor - ders crum - ble land and sea, Bored with i - de - o - lo - gy. The  
3. turn a - way and turn a - bout, Ev - 'ry - where mis - trust and doubt, And  
4. while we sit u - pon the fence, In har - mo - ny and dis - so - nance, The  
5. as I watch the set - ting sun, I'm slow to stand and quick to run, My

Tenor  
Ah \_\_\_\_\_

1. Our bott - le gone, we drank the dregs. Our  
2. Bored with i - de - o - lo - gy. The  
3. Ev - 'ry - where mis - trust and doubt, And  
4. In har - mo - ny and dis - so - nance, The  
5. I'm slow to stand and quick to run, My

Bass  
And 1. though we stum - ble from the edge, Our bott - le gone, we drank the dregs. Our  
2. bor - ders crum - ble land and sea, Bored with i - de - o - lo - gy. The  
3. turn a - way and turn a - bout, Ev - 'ry - where mis - trust and doubt, And  
4. while we sit u - pon the fence, In har - mo - ny and dis - so - nance, The  
5. as I watch the set - ting sun, I'm slow to stand and quick to run, My

5

S.  
fin - gers still cling to the ledge, We need eachoth - er now. (Ah)  
skin - head and the re - fu - gee, Rise  
one by one our lights go out, (Ah)  
bells toll out in - to - ler - ance, Rise  
bro - ther asks whose side I'm on, Rise

A.  
fin - gers still cling to the ledge, We need eachoth - er now. 2. As Rise  
skin - head and the re - fu - gee, 4. And Rise  
one by one our lights go out, Rise  
bells toll out in - to - ler - ance, Rise  
bro - ther asks whose side I'm on, Rise

T.  
fin - gers still cling to the ledge, We need eachoth - er now. (Ah) Rise  
skin - head and the re - fu - gee, (Ah) Rise  
one by one our lights go out, Rise  
bells toll out in - to - ler - ance, Rise  
bro - ther asks whose side I'm on, Rise

B.  
fin - gers still cling to the ledge, We need eachoth - er now. 2. As Rise  
skin - head and the re - fu - gee, 4. And Rise  
one by one our lights go out, Rise  
bells toll out in - to - ler - ance, Rise  
bro - ther asks whose side I'm on, Rise

10 CHORUS

S. up, rise up, you hope - ful men and wo - men who might try a - gain. And

A. up, rise up, you hope - ful men and wom - en who might try a - gain. And

T. up, rise up, you hope - ful men and wom - en who might try a - gain. And

B. up, rise up, you hope - ful men and wom - en who might try a - gain. And

14 OUTRO

S. with one voice your mess - agesend: We need eachoth - er now. We

A. with one voice your mess - agesend: We need eachoth - er now. 3. We We  
5. And

T. with one voice your mess - agesend: We need eachoth - er now. We

B. with one voice your mess - agesend: We need eachoth - er now. 3. We We  
5. And

19

S. need each oth - er now. We need each oth - er now.

A. need each oth - er now. We need each oth - er now.

T. need each oth - er now. We need each oth - er now.

B. need each oth - er now. We need each oth - er now.
